Current Project Work: (all items updated)			complishments: (All items updated)
•	IT focusing on SHD workstation migration to the Snoco domain. This event represents a huge lift for the dept. a major Dec. milestone. Additional task	1.	Fleet/Facilities Workgroup disbanded as all 2022-dependent tasks are resolved
	focus now includes application support/continuity, network revisions (Rucker building), email and public records issues, application, services contracting, etc.		Employee benefits onboarding planning complete. SHD staff benefits selection window opens on Nov. 1
•	HR/Finance/IT/Risk Mgmt./Labor: Key efforts now include benefits onboarding staff training or Finance processing		Health Dept. staff training plan revisions ongoing with Nov. 4 target for completion.
•	Communications: Focused on brand management, multi-channel communications and employee support.		IT plan for SHD workstation migration complete. Significant change scheduled for Dec. 10.
•	Fleet/Facilities: Completed task list (meetings deprecated)	5.	Meetings schedules compressed/revised to reflect current project needs
•	Legal Team: Monitoring final legal issues to assure integration effort		
•	Note: All group tasks list are revised weekly to ensure schedule compliance. Some tasks have been identified as OK to move into 2023 Q1 schedule. Project governance has increasing confidence for a successful conclusion to the integration effort.		ture Project Work (dates updated to reflect October sprint window)
			Complete labor negotiations (by Nov. 30)
			Employee onboarding & health benefits open enrollment (by Nov. 18)
Risks: (all risks updated to reflect current week)		3.	Finalize technology onboarding for Health Dept. staff (by Nov. 30)
<i>Schedule Risk:</i> While this risk is realized as an ongoing factor, the impact is lessening with each passing day. Project participants are working diligently to mitigate the risk.			December sprint includes final technology, HR, Finance tasks to realize the integration/formation of the new Health Depart (including new Department Director)
