SOLUTIONS OVERVIEW

Siemens Industry, Inc. (SI) is pleased to provide the following proposal for the above referenced project. This quote is based upon the installation of new IP video cameras requested by Snohomish County for the Siemens Project ID: 44OP-240571 Snohomish County Courthouse. This request will be an add to the existing base contract.

Lobby IP Video

Siemens has been requested to add new IP video cameras to the main lobby gun locker and the stairwell employee exit. Siemens will work with the Snohomish County Project Manager to confirm ensure the field of view meets the Snohomish County's expectation. Camera. This solution includes cable installation from the new camera locations to the 1st floor electrical closet. Siemens will terminate the CAT6 cable and plug the cameras into the Snohomish County network switch. Siemens will also provide two (2) Qognify Ocularis Enterprise Camera Channel Licenses. The license files will be provided via email and will be the responsibility of Snohomish County to import. Camera configurations will also be the responsibility of the Snohomish County Ocularis system administrator.
