

Snohomish County Council

Committee: Finance
ECAF: 2022-1102
Proposal: Mot. 22-450

Analyst: Jim Martin
Date: November 22, 2022

Consideration:

Authorizing the County Executive to execute a 2023 work plan/financial plan with USDA-APHIS Wildlife Services.

Background

A Cooperative Services Agreement between the County and USDA-APHIS Wildlife Services has been in place since 1994 for the purpose of protecting human health and safety by reducing wildlife hazards to aircraft caused by wildlife. The cooperative services agreement was renewed for a period of five years in December of 2020, with an annual work plan/financial plan to be approved each year.

For 2023, the work plan includes APHIS Wildlife Services assigning a Wildlife Biologist to Paine Field for up to 40 hours per week, in addition to vehicles, equipment, supplies, and/or training necessary. The Wildlife Biologist will assist Paine Field by:

- Collecting wildlife survey data
- Providing assistance, support, and quality control for the Paine Field wildlife database
- Monitoring construction projects for potential wildlife hazards
- Providing annual wildlife hazard management training to Paine Field staff
- Assisting in maintaining and implementing the Wildlife Hazard Management Plan for Paine Field
- Providing direct control assistance when available
- Participating in meetings
- Providing reports upon request

The 2023 Work Plan/Financial Plan has been negotiated for an amount of \$175,508.96.

Current Proposal

This motion authorizes the County Executive to sign the USDA-APHIS 2023 Work Plan/Financial Plan in the amount of \$175,508.96.
