4.2 City's Financial Commitment. The City certifies to the County that the City has monies sufficient to complete the Project by the Project deadline identified in **Section 4.3** below (the "City's Financial Commitment"). The total Project cost is estimated at approximately \$35,000

4.5 Project Maintenance. The City shall be responsible for on-going capital improvements to, and maintenance of, the Project and the Property. The County makes no commitment to support the Project or Property beyond what is provided for in this Agreement and assumes no obligation for future support of the Project or Property except as expressly set forth in this Agreement.

5.1 Invoicing. Prior to **December 31, 2023**, the City shall submit to the County an invoice requesting disbursement of the Funds for the Project. The invoice shall provide line-item detail for materials, labor and overhead and include any documentation requested by the County, including but not limited to documentation as to what amounts have been spent by the City on the Project.

5.2 Payment. Unless the County delivers to the City written notice disputing the amount of a particular line item, within twenty (20) working days of receipt from the City of an invoice properly submitted to the County pursuant to **Section 5.1**, the County shall remit to the City **TWENTY-FIVE THOUSAND DOLLARS (\$25,000.00)**.

5.3 No Overpayments. In the event that the Project is completed for less than the combined total of the Funds and the City's Financial Commitment, the County shall remit to the City an amount of Funds equal to the difference between the City's Financial Commitment and the total cost of the Project. In no case shall the City retain Funds which it does not utilize in the Project or that it utilizes in the Project without first exhausting the City's Financial Commitment. Should an overpayment occur, the County shall give written notice to the City of the overpayment, and within thirty (30) days of the notice of overpayment the City shall return to the County the overpaid Funds plus interest at the rate of twelve percent (12%) per annum beginning thirty (30) days from the date of the notice of overpayment.

5.4 Accounting. The City shall maintain a system of accounting and internal controls that complies with generally accepted accounting principles and governmental accounting and financial reporting standards and provisions concerning preservation and destruction of public documents in accordance with applicable laws, including **Chapter 40.14 RCW**.

5.5 Recordkeeping. The City shall maintain adequate records to support billings. The records shall be maintained by the City for a period of five (5) years after completion of this Agreement. The County, or any of its duly authorized representatives, shall have access to books, documents, or papers and records of the City relating to this Agreement for purposes of inspection, audit, or the making of excerpts or transcripts.

5.6 **Audit and Repayment.** The City shall return Funds disbursed to it by the County under this Agreement upon the occurrence of any of the following events:

5.6.1 If overpayments are made; or

5.6.2 If an audit of the Project by the State or the County determines that the Funds have been expended for purposes not permitted by applicable law, the State, the County, or this Agreement.

In the case of **5.6.1** or **5.6.2**, the County shall make a written demand upon the City for repayment, and the City shall be obligated to repay to the County the Funds demanded within sixty (60) calendar days of the demand. The County's right to demand repayment from the City may be exercised as often as necessary to recoup from the City all Funds required to be returned to the County.

The City is solely responsible for seeking repayment from any subcontractor in conformance with its debt collection policy.

6. Independent Contractor.

The City will perform all work associated with the Project as an independent contractor and not as an agent, employee, or servant of the County. The City shall be solely responsible for control, supervision, direction and discipline of its personnel, who shall be employees and agents of the City and not the County. The County shall only have the right to ensure performance.

7. Indemnification/Hold Harmless.

The City shall assume the risk of liability for damage, loss, costs and expense arising out of the activities under this Agreement and all use of any improvements it may place on the Property. The City shall hold harmless, indemnify and defend the County, its officers, elected and appointed officials, employees and agents from and against all claims, losses, lawsuits, actions, counsel fees, litigation costs, expenses, damages, judgments, or decrees by reason of damage to any property or business and/or any death, injury or disability to or of any person or party, including but not limited to any employee, arising out of or suffered, directly or indirectly, by reason of or in connection with the acquisition or use of the Property and this Agreement; PROVIDED, that the above indemnification does not apply to those damages solely caused by the negligence or willful misconduct of the County, its elected and appointed officials, officers, employees or agents. This indemnification obligation shall include, but is not limited to, all claims against the County by an employee or former employee of City, and City, by mutual negotiation, expressly waives all immunity and limitation on liability, as respects the County only, under any industrial insurance act, including **Title 51 RCW**, other Worker's Compensation act, disability benefit act, or other employee benefit act of any jurisdiction which would otherwise be applicable in the case of such claim.

The indemnification, protection, defense and save harmless obligations contained herein shall survive the expiration, abandonment or termination of this Agreement.

8. Liability Related to City Ordinances, Policies, Rules and Regulations.

In executing this Agreement, the County does not assume liability or responsibility for or in any way release the City from any liability or responsibility which arises in whole or in part from the existence or effect of City ordinances, policies, rules or regulations. If any cause, claim, suit, action or administrative proceeding is commenced in which the enforceability and/or validity of any such City ordinance, policy, rule or regulation is at issue, the City shall defend the same at its sole expense and, if judgment is entered or damages are awarded against the City/Town, the County, or both, the City shall satisfy the same, including all chargeable costs and reasonable attorney's fees.

9. Insurance.

The City shall procure and maintain for the duration of this Agreement, insurance against claims for injuries to persons or damages to property which may arise from, or in connection with, exercise of the rights and privileges granted by this Agreement, by the City, its agents, representatives, and employees/subcontractors. The cost of such insurance shall be paid by the City.

By requiring the minimum insurance coverage set forth in this **Section 9**, the County shall not be deemed or construed to have assessed the risks that may be applicable to the City under this Agreement. The City shall assess its own risks and, if it deems appropriate and/or prudent, maintain greater limits and/or broader coverage.

9.1 Minimum Scope and Limits of Insurance.

9.1.1 General Liability: \$1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage, and for those policies with aggregate limits, a \$2,000,000 aggregate limit. CG 00 01 current edition, including Products and Completed Operations.

9.2.2 The County, its officers, officials, employees, and agents are to be covered as additional insureds as respects liability arising out of activities performed by or on behalf of the City, in connection with this Agreement. Such coverage shall be primary and non-contributory insurance as respects the County, its officers, officials, employees and agents. Additional Insured

Endorsement shall be included with the certificate of insurance; "CG 2026 07/04" or its equivalent is required.

9.2.3 The Recipient's insurance coverage shall apply separately to each insured against whom a claim is made and/or lawsuit is brought, except with respect to the limits of the insurer's liability.

9.3 Verification of Coverage. The City shall furnish the County with certificate(s) of insurance and endorsement(s) required by this Agreement.

9.4 In lieu of the insurance required in this **Section 9**, the City may, upon request of and acceptance by the County, provide the County a letter certifying the City's self-insurance program.

10. Compliance with Laws.

In the performance of its obligations under this Agreement, each party shall comply with all applicable federal, state, and local laws, rules and regulations.

11. Default and Remedies.

11.1 Default. If either the County or the City fails to perform any act or obligation required to be performed by it hereunder, the other party shall deliver written notice of such failure to the non-performing party. The non-performing party shall have twenty (20) days after its receipt of such notice in which to correct its failure to perform the act or obligation at issue, after which time it shall be in default ("Default") under this Agreement; provided, however, that if the non-performance is of a type that could not reasonably be cured within said twenty (20) day period, then the non-performing party shall not be in Default if it commences cure within said twenty (20) day period and thereafter diligently pursues cure to completion.

11.2 Remedies. In the event of a party's Default under this Agreement, then after giving notice and an opportunity to cure pursuant to **Section 11.1** above, the non-Defaulting party shall have the right to exercise any or all rights and remedies available to it in law or equity.

12. Early Termination.

12.1 Lack of Funding. This Agreement is contingent upon governmental funding and local legislative appropriations. In the event that funding from any source is withdrawn, reduced, limited, or not appropriated after the effective date of this Agreement, this Agreement may be terminated by either party immediately by delivering written notice to the other party. The termination notice shall specify the date on which the Agreement shall terminate.

12.2 Termination for Breach. In the event the City fails to complete the Project by **December 31, 2023**, commits a Default as described in **Section 11**, or otherwise fails to appropriate the funds necessary to complete the Project, the County may terminate this Agreement immediately by delivering written notice to the City. Within thirty (30) days of such early termination, the City shall return to the County all funds previously provided by the County to the

City for the Project plus interest at the rate of twelve percent (12%) per annum beginning thirty (30) days from the date of early termination.

13. Dispute Resolution.

In the event differences between the Parties should arise over the terms and conditions or the performance of this Agreement, the Parties shall use their best efforts to resolve those differences on an informal basis. If those differences cannot be resolved informally, the matter may be referred for mediation to a mediator mutually selected by the Parties. If mediation is not successful or if a party waives mediation, either of the Parties may institute legal action for specific performance of this Agreement or for damages. The prevailing party in any legal action shall be entitled to a reasonable attorney's fee and court costs.

14. Notices.

All notices required to be given by any party to the other party under this Agreement shall be in writing and shall be delivered either in person, by United States mail, or by electronic mail (email) to the applicable Administrator or the Administrator's designee. Notice delivered in person shall be deemed given when accepted by the recipient. Notice by United States mail shall be deemed given as of the date the same is deposited in the United States mail, postage prepaid, and addressed to the Administrator, or their designee, at the addresses set forth in **Section 3** of this Agreement. Notice delivered by email shall be deemed given as of the date and time received by the recipient.

15. Miscellaneous.

15.1 Entire Agreement; Amendment. This Agreement constitutes the entire agreement between the Parties regarding the subject matter hereof, and supersedes any and all prior oral or written agreements between the Parties regarding the subject matter contained herein. This Agreement may not be modified or amended in any manner except by a written document executed with the same formalities as required for this Agreement and signed by the party against whom such modification is sought to be enforced.

15.2 Conflicts between Attachments and Text. Should any conflicts exist between any attached exhibit or schedule and the text or main body of this Agreement, the text or main body of this Agreement shall prevail.

15.3 Governing Law and Venue. This Agreement shall be governed by and enforced in accordance with the laws of the State of Washington. The venue of any action arising out of this Agreement shall be in the Superior Court of the State of Washington, in and for Snohomish County. In the event that a lawsuit is instituted to enforce any provision of this Agreement, the prevailing party shall be entitled to recover all costs of such a lawsuit, including reasonable attorney's fees.

15.4 Interpretation. This Agreement and each of the terms and provisions of it are deemed to have been explicitly negotiated by the Parties, and the language in all parts of this

Agreement shall, in all cases, be construed according to its fair meaning and not strictly for or against either of the Parties hereto. The captions and headings in this Agreement are used only for convenience and are not intended to affect the interpretation of the provisions of this Agreement. This Agreement shall be construed so that wherever applicable the use of the singular number shall include the plural number, and vice versa, and the use of any gender shall be applicable to all genders.

15.5 Severability. If any provision of this Agreement or the application thereof to any person or circumstance shall, for any reason and to any extent, be found invalid or unenforceable, the remainder of this Agreement and the application of that provision to other persons or circumstances shall not be affected thereby, but shall instead continue in full force and effect, to the extent permitted by law.

15.6 No Waiver. A party's forbearance or delay in exercising any right or remedy with respect to a Default by the other party under this Agreement shall not constitute a waiver of the Default at issue. Nor shall a waiver by either party of any particular Default constitute a waiver of any other Default or any similar future Default.

15.7 No Assignment. This Agreement shall not be assigned, either in whole or in part, by either party without the express written consent of the other party, which may be granted or withheld in such party's sole discretion. Any attempt to assign this Agreement in violation of the preceding sentence shall be null and void and shall constitute a Default under this Agreement.

15.8 Warranty of Authority. Each of the signatories hereto warrants and represents that he or she is competent and authorized to enter into this Agreement on behalf of the party for whom he or she purports to sign this Agreement.

15.9 No Joint Venture. Nothing contained in this Agreement shall be construed as creating any type or manner of partnership, joint venture or other joint enterprise between the Parties.

15.10 No Separate Entity Necessary. The Parties agree that no separate legal or administrative entities are necessary to carry out this Agreement.

15.11 Ownership of Property. Except as expressly provided to the contrary in this Agreement, any real or personal property used or acquired by either party in connection with its performance under this Agreement will remain the sole property of such party, and the other party shall have no interest therein.

15.12 No Third-Party Beneficiaries. This Agreement and each and every provision hereof is for the sole benefit of the City and the County. No other persons or Parties shall be deemed to have any rights in, under or to this Agreement.

15.13 Public Records. This Agreement and all public records associated with this Agreement shall be available from the County for inspection and copying by the public where required by the Public Records Act, **Chapter 42.56 RCW** (the "Act"). To the extent that public

records then in the custody of the City are needed for the County to respond to a request under the Act, as determined by the County, the City agrees to make them promptly available to the County. If the City considers any portion of any record provided to the County under this Agreement, whether in electronic or hard copy form, to be protected from disclosure under law, the City shall clearly identify any specific information that it claims to be confidential or proprietary. If the County receives a request under the Act to inspect or copy the information so identified by the City and the County determines that release of the information is required by the Act or otherwise appropriate, the County's sole obligations shall be to notify the City(a) of the request and (b) of the date that such information will be released to the requester unless the City obtains a court order to enjoin that disclosure pursuant to **RCW 42.56.540**. If the City fails to timely obtain a court order enjoining disclosure, the County will release the requested information on the date specified.

The County has, and by this section assumes, no obligation on behalf of the City to claim any exemption from disclosure under the Act. The County shall not be liable to the City for releasing records not clearly identified by the City as confidential or proprietary. The County shall not be liable to the City for any records that the County releases in compliance with this section or in compliance with an order of a court of competent jurisdiction.
