The Limits of Insurance applicable to the Additional Insured are inclusive of and not in addition to the Limits of Insurance shown in the Declarations.
- b. The insurance afforded to the Additional Insured only applies to the extent permitted by law
- c. If coverage provided to the Additional Insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

Q. Additional Insureds - By Contract

1. SECTION II - WHO IS AN INSURED is amended to include as an insured any person or organization whom you have agreed to add as an additional insured in a written contract, written agreement or permit. Such person or organization is an additional insured but only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" arising out of:

- a. your acts or omissions, or the acts or omissions of those acting on your behalf, in the performance of your ongoing operations for the Additional Insured that are subject of the written contract or written agreement provided that the "bodily injury" or "property damage" occurs, or the "personal and advertising injury" is committed, subsequent to the signing of such written contract or written agreement; or
- b. the maintenance, operation or use by you of equipment rented or leased to you by such person or organization; or
- c. the Additional Insureds financial control of you; or
- d. operations performed by you or on your behalf for which the state or political subdivision has issued a permit

However:

- 1. the insurance afforded to such additional insured only applies to the extent permitted by law; and
- 2. if coverage provided to the Additional Insured is required by contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide such additional insured.

With respect to paragraph **1.a.** above, a person's or organization's status as an additional insured under this Endorsement ends when:

- (1) all work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed for or on behalf of the Additional Insured(s) at the location of the covered operations has been completed; or
- (2) that portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

With respect to paragraph **1.b.** above, this insurance does not apply to any "occurrence" which takes place after the equipment rental or lease agreement has expired or you have returned such equipment to the lessor.

The insurance provided by this Endorsement applies only if the written contract or written agreement is signed prior to the "bodily injury" or "property damage."

We have no duty to defend an additional insured under this Endorsement until we receive written notice of a "suit" by the Additional Insured as required in paragraph **b.** of Condition **2. Duties in the Event of Occurrence, Offense, Claim or Suit** under **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITION.**

2. With respect to the insurance provided by this Endorsement, the following are added to paragraph **2. Exclusions** under **SECTION I - COVERAGE A - Bodily Injury and Property Damage Liability**:

This insurance does not apply to:

- a. "Bodily injury" or "property damage" that occurs prior to your commencing operations at the location where such "bodily injury" or "property damage" occurs.
- b. "Bodily injury," "property damage" or "personal and advertising injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services, including:
 - (1) the preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
 - (2) supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that Insured, if the "occurrence" which caused the "bodily injury" or "property damage," or the offense which caused the "personal and advertising injury," involved the rendering of, or failure to render, any professional architectural, engineering or surveying services.

- c. "Bodily injury" or "property damage" occurring after:
 - (1) all work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed for or on behalf of the Additional Insured(s) at the location of the covered operations has been completed; or
 - (2) that portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.
