| Why would you like to serve on this board/commission? | I would like to continue serving on the Snohomish County Human Rights Commission (SCHRC) as an at-large member. I continue to believe that communities and the people within them are able to reach their full potential when their human rights are honored and protected, and that I can support this process by working on the commission. |
| Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission. | I have worked with vulnerable populations for the past 7 years, and my current role involves training staff on the importance of treating all customers with respect and the value of diversity, inclusion, and equity in our community, in addition to how to work as WA State Social Workers. I am devoted to ensuring my community is able to grow and progress in a way that supports every person being able to work towards their full potential through my work with Unidos and the Snohomish County Housing Action Alliance (SCHAA), two local non-profits, and in my personal coaching business. I also have served on the SCHRC for the past 2 years, which has included filling the role of Secretary for the past few months. |
| Please list community involvement/volunteer activities | I have facilitated community meetings to discuss zoning and housing, marched monthly in solidarity with immigrants, and acted as a consultant and coach for Everett city councilmember campaigns. I have met with CJTC leadership to discuss how the community connects with law enforcement and am currently active in the non-profits Unidos and SCHAA. I have also taught Mental Health First Aid (MHFA) to shelter staff from Esther's Place and members of the Everett Police Department. |
| How did you learn of this opportunity? | My term expires on 7/1/23 and I am reapplying to stay in my at-large commissioner position. |
| Do you currently serve on a Snohomish County board or commission?* | Yes |
