---

**CAUTION :** This email originated from outside of this organization. Please exercise caution with links and attachments.

Sending a corrected record of testimony, given today 5/16/23 at the Public Infrastructure and Conservation Committee meeting.

My previous email indicated the date as 5/17/23, and the name of the attachment indicated the same.

Please accept my apologies and let me know if you have any questions or concerns.

Thank you.

Best regards,  
Carol McMahon

Hello,

Thank you for the opportunity to provide public comment today regarding Legacy, Mature forests. Attached is a copy of my testimony provided, notes and supporting information.

Again, thank you.

Respectfully,  
Carol McMahon
