Committee: Public Infrastructure and Conservation

Analyst: Deb Evison Bell

ECAF: 2023-0602

Proposal: Motion 23-229

Date: June 6, 2023

Consideration

The proposed motion would approve and authorize the County Executive to execute the Right-Of-Way Plan for Interurban Trail Improvements: 167 PL SW to 160 ST SW; RC1778; UP#20-0058; and would authorize the Public Works Director to approve appraisal and appraisal review contracts necessary to implement the plan, in an amount not exceeding \$105,000; and would authorize the County Engineer to acquire uneconomic remnants or additional impacted property necessary to implement the plan and all attendant documents for the completion of the project; and authorizes the County Engineer to make revisions to the plan and to approve and sign a revised Right-of-Way Plan to provide for design revisions and to document uneconomic remnants or additional impacted property acquired, under RCW 36.77.010.

Background

The County proposes to construct trail widening improvements along 13th Ave W/ Meadow Rd to improve non-motorized safety and mobility by providing a continuous, grade-separated trail. Construction of the project will require Right-of-Way acquisition from eight (8) parcels and temporary easements from fifteen (15) parcels. The Right-of-Way acquisition process is scheduled to begin in July 2023.
