Federal Funding Accountability and Transparency Act (FFATA) (Applies to federal grant awards.)

This statement of work is supported by federal funds that require compliance with the Federal Funding Accountability and Transparency Act (FFATA or the Transparency Act). The purpose of the Transparency Act is to make information available online so the public can see how the federal funds are spent.

To comply with this act and be eligible to perform the activities in this statement of work, the LHJ must have a Unique Entity Identifier (UEI) generated by SAM.gov.

Information about the LHJ and this statement of work will be made available on <u>USASpending.gov</u> by DOH as required by P.L. 109-282.

Program Specific Requirements

All work will be performed in accordance with the revised and approved project plans to be submitted to DOH.

Monitoring Visits (frequency, type)

The DOH program contact may conduct monitoring visits during the life of this project. The type, duration, and timing of visit will be determined and scheduled in cooperation with the subawardee. The DOH Fiscal Monitoring Unit may conduct fiscal monitoring site visits during the life of this project

Special Billing Requirements

Payment: Upon approval of deliverables and receipt of an invoice voucher, DOH will reimburse for actual allowable costs incurred. Billings for services on a monthly fraction of the budget will not be accepted or approved.

Submission of Invoice Vouchers: The LHJ shall submit correct monthly A19-1A invoice vouchers for amounts billable under this statement of work to DOH by the 25th of the following month or on a frequency no less often than quarterly.

Other: Required activities, deliverables, and funding is for the entire project period: January 2021 through specified date above. Unspent funds and tasks not completed by December 31, 2021 were reauthorized for work in this new consolidated contract term beginning January 1, 2022. It is the LHJ's responsibility to assure that the unspent funding amount carried forward to this statement of work does not exceed the remaining available balance from the 2018-2021 contract.

5.	Strategy 9: Partner with schools, school districts, community groups, local businesses, pharmacies, and organizations that primarily serve unhoused and other high-risk populations, such as shelters and resource centers, to provide training on harm reduction, drug safety, and other related topics identified by those organizations. Provide interpretation during these trainings upon request. When focusing on opioids/substance-related topics with community partners who participate in our Equity Advisory Board, make stipends available to compensate for their time. Support these organizations in developing prevention and outreach strategies focused on harm reduction, decreasing opioid misuse, and overdose fatalities. Outreach with these partners will include the provision of educational giveaways in various community settings as well as naloxone distribution for community members and organizational use.	Progress report: Share the process and progress towards developing and maintaining partnerships. Share training materials and support given to partners. 6.	Strategy 9: Increase focus on two high-risk populations affected by the opioid epidemic: pregnant and parenting mothers, and babies born to women with opioid use disorder (OUD) The LHJ has a biennial Pregnancy and Beyond Conference cohosted with Skagit County Public Health that focuses on improving outcomes for parents and infants affected by OUD/SUD. The next conference will occur in 2024. The year in-between will be used to develop partnerships to understand and collect existing data surveillance in the county and improve awareness of the service landscape for pregnant and parenting individuals with substance use disorders. Continued participation in the Department of Health's Pregnant & Parenting Women Workgroup and Homeward House's CORE Collaborative that focuses on providing services for parents and children with active dependency cases.	Progress report: Describe procedures, policies, and methods to increase focus on these populations.
