Snohomish County, Washington

NOTICE OF ENACTMENT

NOTICE IS HEREBY GIVEN, that on April 24, 2024, the Snohomish County Council approved Ordinance No. 24-017.

ORDINANCE NO. 24-017

RELATING TO THE REGULATION OF SEWAGE DISPOSAL SYSTEMS;
REPEALING CHAPTER 7.44 OF THE SNOHOMISH COUNTY CODE

Summary: As part of the creation of a new county health department, the County Council adopted Amended Ordinance 22-062, which repealed multiple chapters of Snohomish County Code (SCC) Title 7, Health and Sanitation. The repealed chapters addressed health and sanitation areas that have long since been administered by the State Board of Health and local health authorities. This proposed ordinance repeals SCC Chapter 7.44, regulating sewer disposals, that was not captured in Amended Ordinance 22-062. Current sewer disposal systems are subject to comprehensive statewide regulations administered by the County Health Department pursuant to RCW and WAC. The County Planning and Development Services Department has also had a nominal role with regulating connections to public sewer and on-site septic systems associated with development activity under the Growth Management Act.

For More Information: Copies of the ordinance and related documents are available upon request by calling the Council Office at (425) 388-3494, 1(800) 562-4367 x3494, TDD 1(800) 877-8339, or by e-mailing Contact.Council@snoco.org.
