**DOH Program and Fiscal Contact Information** for all ConCon SOWs can be found on the [DOH Finance SharePoint](#) site. Questions related to this SOW, or any other finance-related inquiry, may be sent to [finance@doh.wa.gov](mailto:finance@doh.wa.gov).

FPHS staff from DOH and the Washington State Association of Local Public Health Officials (WSALPHO) will coordinate and communicate together to build and assure common systemwide approaches per FPHS Steering Committee direction and the FPHS framework intent.

- For LHJ questions about the use of funds:
  - Chris Goodwin, FPHS Policy Advisor, WSALPHO – [cgoodwin@wsac.org](mailto:cgoodwin@wsac.org), 564-200-3166
  - Brianna Steere, FPHS Policy Advisor, WSALPHO – [bsteere@wsac.org](mailto:bsteere@wsac.org), 564-200-3171

The intent of FPHS funding is outlined in [RCW 43.70.512](#).

Foundational Public Health Services Definitions and related information can be found here: [www.doh.wa.gov/fphs](http://www.doh.wa.gov/fphs).

**Stable funding and an iterative decision-making process** – The FPHS Steering Committee’s roles and responsibilities are outlined in the [FPHS Committee & Workgroup Charter](#). The Steering Committee is the decision making body for FPHS and operates under a consensus-based decision making model, outlined [here](#). The Steering Committee use an iterative approach to decision making meaning additional tasks and/or funds may be added to a local health jurisdiction’s (LHJ) FPHS Statement of Work (SOW) as funding decisions are made.

**Spending of FPHS funds** – FPHS funds do not require pre-approval or pre-authorization to spend. FPHS funds are to assure FPHS services are available in each jurisdiction based on the FPHS Definitions (link) and as reflected in the SOW. Assurance includes providing FPHS as part of your jurisdiction's program operations, contracting with another governmental public health system partner to provide the service, or receiving the service through a new service delivery model such as cross-jurisdictional sharing or regional staff. **FPHS funds are eligible starting at the beginning of each state fiscal year (July 1) regardless of when funds are received by the LHJ, even if the expenditure occurred before the LHJ’s contract was signed.**

These funds are not intended for fee-based services such as select environmental public health services. As state funding for FPHS increases, other funds sources (local revenue, grants, federal block grants) should be directed to the implementation of additional important services and local/state priorities as determined by each agency/jurisdiction.

**Annual Allocations** – The legislature appropriates FPHS funding on an annual basis and the FPHS Steering Committee allocates funds annually through the FPHS Concurrence Process for the State Fiscal Year (SFY): July - June.

The Legislature appropriates FPHS funding amounts for each fiscal year of the biennium. This means that funds must be spent within that fiscal year and cannot be carried forward. Any funds not spent by June 30<sup>th</sup> each year must be returned to the State Treasury. Funding allocations reset and begin again at the start of the next fiscal year (July 1).

This Statement of Work is for the period of July 1, 2023-June 30, 2024 and may be included in multiple Consolidated Contracts (ConCons) which are based on the calendar year and renewed every three years.

**Disbursement of FPHS funds to LHJs** – Unlike other ConCon grants, FPHS bill-back to DOH is NOT required. Half of the annual FPHS funds allocated by the Steering Committee to each LHJ are disbursed each July and January. The July payments to LHJs and access to FPHS allocation for all other parts of the governmental public health system occur upon completion of the FPHS Annual Assessment.

**Deliverables** – FPHS funds are to be used to assure FPHS services statewide. The FPHS accountability process measures how funds are spent, along with changes in system capacity through the FPHS Annual Assessment, system performance indicators, and other data. DOH, SBOH and local health jurisdictions have agreed to complete:

1. Reporting of spending and spending projections. Process timelines and reporting template are provided by the FPHS Steering Committee via FPHS Support Staff.
2. FPHS Annual Assessment is due each July to report on the previous state fiscal year. Process and reporting template are provided by the FPHS Steering Committee via FPHS Support Staff. System results are published in the annual FPHS Investment Report available at [www.doh.wa.gov/fphs](http://www.doh.wa.gov/fphs).

## 10. Contract Management –

### a. Fiscal Guidance

- i. **Indirect** – If charging indirect costs, the CONTRACTOR must have a current federally negotiated rate or 10% De Minimus certification of file with DOH. DOH is not able reimburse indirect costs without an approved indirect cost rate or 10% De Minimus certification on file.
- ii. **Advance Payments Prohibited** – DOH funds are “cost reimbursement” funds. DOH will not make payment in advance or in anticipation of services or supplies provided. This includes payments of “one-twelfth” of the current fiscal year’s funding.
- iii. **Duplication of Early Intervention Program (EIP) Services** –The CONTRACTOR shall not use contract funds to provide a parallel medication service to EIP. CONTRACTOR’s providing case management services shall make every effort to enroll clients in EIP.
- iv. **Payment of Cash or Checks to Clients Not Allowed** – Where direct provision of service is not possible or effective, vouchers or similar programs, which may only be exchanged for a specific service (e.g., transportation), shall be used to meet the need for such services. CONTRACTOR shall administer gift cards voucher programs to assure that recipients cannot readily convert vouchers into cash.
  - 1) Store gift cards that can be redeemed at one merchant or an affiliated group of merchants for specific goods or services are allowable as incentives for eligible program participants.
  - 2) General-use prepaid cards are considered “cash equivalent” and are therefore unallowable. Such cards generally bear the logo of a payment network, such as Visa, MasterCard, or American Express, and are accepted by any merchant that accepts those credit or debit cards as payment. Gift cards that are cobranded with the logo of a payment network and the logo of a merchant or affiliated group of merchants are general-use prepaid cards, not store gift cards, and therefore are unallowable.
  - 3) The CONTRACTOR must ensure that a policy for managing gift cards with strong internal controls is in place.
- v. **Funds for Needle Exchange Programs Not Allowed with Federal Funding** – CONTRACTOR shall not expend contract federal funds to support needle exchange programs using funds from HIV Community Services Tasks.
- vi. **Travel** – Out of staff travel requires prior approval from DOH and must follow [GSA](#) guidelines and reimbursement rates.
- vii. **Supervision**, under DOH Community Programs contracts, will be understood as the delivery of a set of interrelated functions encompassing administrative, educational and supportive roles that work collectively to ensure clinical staff (i.e., case managers, navigators, coordinators, assistants, coaches) are equipped with the skills necessary to deliver competent and ethical services to clients that adhere to best practices within applicable fields as well as all relevant Statewide Standards. Supervisors must meet the criteria set forth within the WA State HIV Case Management Standards and provide the level of interaction and review detailed in that document.

It is the understanding of DOH that Supervision funded under the direct program portion of this contract include at minimum, the provision of at least two of the three functions detailed here: administrative, educational or supportive supervision. Supervision that encompasses only administrative functions will not be considered billable under Direct Program. To that end, it is the expectation of DOH that those personnel identified as Supervisors have no more than one degree

of separation from direct client care. Exceptions to this rule can be presented and considered to and by DOH Contract Management.
