Why would you like to serve on this board/commission?	I have enjoyed serving on this board for two years because of the important issues we have tackled and because as a relatively-recent immigrant with a blue collar, working class	

	background I feel that I have a unique perspective to offer the group. I have a desire to impact the community.
Please explain why you are a qualified candidate, including relevant professional experience, to serve on the board/commission.	I have worked hard to be a qualified candidate by educating myself through formal and informal channels. I have worked to keep up with diverse news sources and listen to diverse corners of my community. This committee has done an amazing job of considering the interests of the BLM movement and indigenous peoples, so I have been grateful to remind them to also consider other people groups and low income communities are sometimes also underrepresented or misrepresented.
Please list community involvement/volunteer activities	I have been involved in my community in numerous ways, most notably: six years in the Mayor's Diversity Advisory Committee for Jon Nehring of Marysville. I began and fostered a sister city relationship where I brought Chinese delegations from China to Marysville and one from delegation from Marysville to China. I have volunteered in schools bimonthly for the last seven years.
How did you learn of this opportunity?	Nate Nehring recommended me.
Do you currently serve on a Snohomish County board or commission?*	Yes
