Executive/Council Action Form (ECAF)

ITEM TITLE:
Motion 21-239, concerning the County Council's position on a proposed Interlocal Agreement Method Annexation to the City of Lake Stevens; BRB File Nos. 03-2021 and 04-2021 - Lake Stevens Southeast Interlocal Annexation

DEPARTMENT: Planning and Development Services

ORIGINATOR: Eileen Canola

EXECUTIVE RECOMMENDATION: Approve

PURPOSE: To state the County Council’s position on the City of Lake Stevens Southeast Interlocal Annexation

BACKGROUND: The City of Lake Stevens (City) submitted two notices of intention (NOIs) to the Snohomish County Boundary Review Board (BRB) - File Nos. BRB 03-2021 and 04-2021 for the proposed Southeast Interlocal Annexation comprised of approximately 500 land acres and 1,000 lake acres. The BRB 45-day review period ends on August 9, 2021. The BRB, consistent with its annexation review procedures outlined in Chapter 2.77 SCC, distributed the NOIs to County departments including Planning and Development Services (PDS). Per SCC 2.77.040(4) within this 45-day review period, the County Council must determine whether to invoke BRB jurisdiction (‘file a request for review’). If BRB jurisdiction is invoked during the 45-day review, by

the county or another party, the BRB may hold public hearings and approve, deny, or modify the proposed annexation decisions must be consistent with Growth Management Act provisions including the planning goals and framework for urban growth areas and countywide planning policies. State law also defines objectives (RCW 36.93.180) for board review and provides factors (RCW 36.93.170) for board consideration in making its decision. If BRB jurisdiction is not invoked, the annexation would be deemed approved. If the annexation is approved by the BRB either following a public hearing or because no party invokes BRB jurisdiction, the annexation would need to be finalized by city ordinance setting the effective date. The City has chosen the Interlocal Agreement method of annexation per RCW 35A.14.296. The City, county, and the Lake Stevens Sewer District (District) have negotiated an ILA for this annexation effective May 12, 2021,for which a joint hearing was held on March 9, 2021 with the required 4-weeks of public noticing. The adopted ILA is consistent with the requirements of RCW 35A.14.296.
