

enhance farmland productivity; and improve water quality and recreational opportunities in the community. Subawardees under this grant agreement include Tulalip Tribes, Snohomish Conservation District, Washington Farmland Trust, Adopt A Stream Foundation (AASF), and Ducks Unlimited. These two sub-award agreements would pass through \$175,000 in grant funds to Ducks Unlimited for the implementation of the Bear Creek Willow Planting, the High Bridge Integrated Drainage, and the Getchell Ranch (Farm #2) Integrated Drainage Projects AND \$275,000 to Washington Farmland Trust to develop a pipeline of potential conservation easement acquisitions on farmland in the Snohomish Basin, with an option to acquire a conservation easement identified in the course of developing the pipeline.
