ITEM TITLE:

Ordinance 23-081, approving agreement with Washington State Department of Health for Pregnancy Risk Assessment Monitoring System Data Sharing

DEPARTMENT: Health Department

ORIGINATOR: Rhonda Smids-Osborne

EXECUTIVE RECOMMENDATION: Approved by Lacey Harper 8/9/23

PURPOSE: This agreement is between the Washington State Department of Health and Snohomish County acting through its Health Department for access to the DOH PRAMS (Pregnancy Risk Assessment Monitoring System) database. This agreement allows Health Department staff access to pregnancy risk assessment datasets for Snohomish County.

BACKGROUND: DOH PRAMS data will be used for on-going assessment activities, including tracking trends for public health indicators, preparing reports on specific public health issues, and responding to requests for data from the public and other public agencies. Data are analyzed and the findings reported to policymakers to keep them informed about emerging public health issues and to track the progress of various public health programs. Use of this system allows the Health Department access to data needed for programmatic work.
