ITEM TITLE:

Motion 24-199, approval of Amendment No. 1 to the Interlocal Agreement between Snohomish County and the Alderwood Water & Wastewater District concerning utility construction associated with the 36th/35th Ave West: 164th Street SW - SR 99 Road Project

DEPARTMENT: Public Works

ORIGINATOR: Lori Ericsson

EXECUTIVE RECOMMENDATION: Ken Klein 4/26/24

PURPOSE: Approval and execution of Amendment No. 1 to the Interlocal Agreement Between Snohomish County and the Alderwood Water and Wastewater District for Utility Construction Associated with the 36th/35th Ave West: 164th Street SW - SR 99 Road Project which will allow the County to perform services on behalf of Alderwood Water and Wastewater District.

BACKGROUND: The County has determined that improvement of 36th/35th Ave West; 164th Street SW - SR 99 is necessary to provide an acceptable level of service and safety. The County is the lead agency for the road project. AWWD holds a franchise for occupancy of public road rights-of-way and is required, as a condition of its franchise and state law, to relocate its facilities at its own expense to accommodate public road improvements. AWWD has requested the County incorporate construction and relocation of water lines and associated utility work in the project vicinity into the County's construction contract. An ILA was executed

between the County and AWWD in 2022 for relocation of water lines and associated utility work. Upon review of the accepted bid, Amendment No. 1 was negotiated to include the accurate accepted bid amounts and work descriptions. RCW 39.34, the Interlocal Cooperation Act, authorizes governmental cooperation between public entities to provide services and facilities in a manner that will best serve the needs of local communities.
