Executive/Council Action Form (ECAF)

ITEM TITLE:

Motion 22-087, authorizing the County Executive to sign Professional Services Agreement CC09-21 with Trowbridge, LLC to provide debris removal services

DEPARTMENT: Public Works

ORIGINATOR: Lori White

EXECUTIVE RECOMMENDATION: Approve - Ken Klein

PURPOSE: Approval of Agreement CC09-21 will allow Snohomish County Public Works to utilize Trowbridge, LLC to provide Debris Removal Services from piers and columns supporting structures that span waters within Snohomish County.

BACKGROUND: Snohomish County has various bridges and structures that span over waters within Snohomish County. From time-to-time woody debris and other floatable materials get caught on in-water piers and the columns supporting structures which span waters within Snohomish County. Previously, the Road Maintenance Division of Public Works had the necessary equipment to remove any debris or floatable materials from piers and columns. The equipment used by the county was retired and the County has no plans to re-acquire the necessary replacement equipment. Through a Request for Proposal (RFP) PW has solicited the services of a contractor to assist the County with these projects. Trowbridge, LLC. was one of two firms responding to RFP-024-21DW and was selected through established Federal, State and County policies and practices. A Professional Services Agreement between Snohomish County and Trowbridge, LLC. was negotiated. The total budget for this ECAF is \$500,000.00.
