Executive/Council Action Form (ECAF)

ITEM TITLE:

Motion 21-202, approving and authorizing the execution of a Professional Services Agreement with Pine Technologies, LLC for Justware Annual Maintenance and Support

DEPARTMENT: Information Technology

ORIGINATOR: Dee White

EXECUTIVE RECOMMENDATION: Approve

PURPOSE: The purpose of this ECAF is to approve and execute the contract for JustWare Annual Maintenance and Support.

BACKGROUND: The County’s Prosecuting Attorney’s Office - Criminal Division obtained a new case control system (JustWare) in February 2016, with the belief that the system would be supported by the vendor, Journal Technologies, Inc. (JTI) for approximately 10 to 15 years and, unexpectedly, JTI served an End of Life notice indicating they will cease to provide support and maintenance for JustWare as of June 30, 2021. The JustWare system is critical to processing criminal matters handled by the Prosecutor’s Office. Pine Technologies, LLC a company comprised of former employees of JTI, is the only vendor capable of providing the necessary maintenance and support to JTI clients. Single Source Purchase Request SS-001-21BC was published February 1, 2021 and received no interest or objections. Expedited handling is requested because the current support has end of life on 6/30/21, so this new agreement needs to be executed prior to that.
