ITEM TITLE:

Ordinance 21-046, relating to Construction Projects - Apprentice Requirements; Amending Chapter 3.05 SCC

DEPARTMENT: Public Works

ORIGINATOR: Bill Thornton

EXECUTIVE RECOMMENDATION: Approve

PURPOSE: The ordinance revises language of the recently amended Chapter 3.05 SCC to more accurately reflect County processes, and further define the contractor’s responsibility to meet requirements of the chapter.

BACKGROUND: Chapter 3.05 SCC was recently amended to strengthen the County’s apprenticeship program and requirements. • Through the application of this chapter during the 2021 construction season, we have identified certain areas where further clarification would be helpful. • The relocation of language from 3.05.040 to 3.05.025 will help to more accurately reflect County processes for when apprentice requirements are not applicable. • The addition of language to 3.05.030(2) will help to clarify the contractor’s responsibility to provide an apprentice utilization plan that reflects its plan to meet the 15% labor hour goal.
