Executive/Council Action Form (ECAF)

ITEM TITLE:

Motion 24-217, authorizing the Executive to sign the agreement to conduct an inventory of onsite sewage disposal systems throughout Snohomish County with Amalgam, LLC

DEPARTMENT: Health

ORIGINATOR: Rhonda Smids-Osborne

EXECUTIVE RECOMMENDATION: Lacey Harper 5/9/24

PURPOSE: The Snohomish County has the need to conduct an inventory of all onsite sewage disposal systems (OSS) within Snohomish County. This Agreement is the product of County RFP No. 23-084JM, Inventory Services. Onsite Sewage Disposal Systems.

BACKGROUND: Amalgam, LLC, will build an onsite sewage disposal systems inventory through geocoding OSS and manually mapping OSS for the Snohomish County Health Department. This OSS inventory will be used to map OSS systems within Snohomish County boundaries and will allow the Health Department to target low-income areas with infrastructures negatively affected by the COVID-19 pandemic, allowing staff to provide technical assistance to homeowners in rebuilding and maintaining their septic infrastructures.
