ITEM TITLE:

Motion 21-359, adopting the 2022-2027 Six-Year Transportation Improvement Program

DEPARTMENT: Public Works

ORIGINATOR: Alexander Hamm

EXECUTIVE RECOMMENDATION: Approved Ken Klein 09/28/21

PURPOSE: To adopt the 2022-2027 six-year Transportation Improvement Program.

BACKGROUND: RCW 36.81.121 requires each county to prepare and adopt a comprehensive transportation program that contains information as to how the county will expend its money for transportation projects. The County Road Engineer is required by RCW 36.81.121 to file an adopted six-year Transportation Improvement Program (TIP) with the County Road Administration Board (CRAB) by December 31, 2021. The TIP is prepared annually to specify the transportation construction program in accordance with the adopted Comprehensive Plan, which sets the stage for future land use and growth through the year 2035. The Department of Public Works prepares the six-year TIP as part of their budget process and it is used for development of the 2022 Annual Construction Program (ACP). This Transportation Improvement Program includes all County Districts.
