### Executive/Council Action Form (ECAF)

**ITEM TITLE:**

Motion 22-033, authorizing approval of a successor interlocal agreement between the city of Everett, Port of Everett and Snohomish County for Jetty Landing restroom capital improvements

**DEPARTMENT:** Conservation & Natural Resources

**ORIGINATOR:** Sharon Swan

**EXECUTIVE RECOMMENDATION:** Approve-Lacey Harper 1/24/22

**PURPOSE:** Approve Interlocal Agreement with the City of Everett and Port of Everett to provide funding for replacement of the Jetty Landing restroom

**BACKGROUND:** The 10<sup>th</sup> St. Boat Launch, with Jetty Landing park facilities, was acquired collectively by the Port of Everett, the City of Everett and Snohomish County in 1972 to provide recreation facilities. Since that time the Port, City and County have worked collaboratively on a number of projects that have been formalized through Interlocal Agreements and occasionally by Memorandums of Understanding. The current Interlocal Agreement is to outline responsibilities of each owner with respect to replacing the restroom structure present on the property. This agreement is successor to a prior agreement for the same purpose, which automatically terminated when project costs came in higher than anticipated. The project is still identified as a priority and need, and the Parks Division is supportive of continued funding involvement. Funding for the County's share of the project is available within Parks' current capital budget.
