

Snohomish County Council

Legislation Text

File #: 2024-1274, Version: 1

Executive/Council Action Form (ECAF)

ITEM TITLE:

Surface Water Utility Service Charge Updates

DEPARTMENT: Conservation and Natural Resources

ORIGINATOR: Gregg Farris

EXECUTIVE RECOMMENDATION: Approved by Lacey harper 6/18/24

PURPOSE: Transmit a presentation to Council that provides an update on the County’s surface water utility service charges, as required by County Code.

BACKGROUND: In 2019, Council adopted changes to the current rates in Title 25 for the County’s surface water utility service charges. At that time, the following requirement was added to SCC 25.20.020(3): “On or before the end of the second quarter of 2024 and at least every five years thereafter, the director shall provide to the county council a recommendation for future annual service charges with supporting analyses and documentation.” In response to that requirement, the Surface Water Management division is transmitting a presentation to Council that provides an update on the County’s surface water utility service charges.
