Amended Ordinance 23-074, relating to purchasing and contracting; amending Chapter 3.04 Snohomish County Code

PURPOSE: Adopt changes to the County’s Purchasing Code 3.04 to allow for quicker processing of procurement transactions and to comply with changes to state code.

BACKGROUND: In over ten years there have been only minimal changes to the County’s Purchasing Code 3.04 in spite of inflationary pressures, changes to state code and changes to business processes.
