Ordinance 21-089, approving the 2022 Annual Construction Plan for County Transportation Improvements

**DEPARTMENT:** Public Works

**ORIGINATOR:** Alexander Hamm

**EXECUTIVE RECOMMENDATION:** Approved-Ken Klein 09/28/21

**PURPOSE:** To adopt a plan for laying out the maintenance and construction of all county roads for 2022.

**BACKGROUND:** RCW 36.81.130 requires each County to prepare and adopt a comprehensive transportation program that contains information as to how the county will expend its money for transportation projects. These include projects related to capacity, safety, bridges, neighborhood improvements and nonmotorized transportation purposes. To meet the RCW requirement, Public Works prepares the Six-Year Transportation Improvement Program (TIP) annually to specify the planned transportation improvements in accordance with the adopted Comprehensive Plan, which are needed to support the Future Land Use Map (FLUM) through the year 2035. The Department of Public Works prepares the TIP as part of the budget process; the 2022 Annual Construction Plan (ACP) is the first year of the six-year TIP.
