### Executive/Council Action Form (ECAF)

**ITEM TITLE:**

Motion 22-282, providing updated direction to Council and Executive staff regarding the allocation of revenues appropriated by the state legislature pursuant to the Puget Sound Taxpayer Accountability Act (PSTAA) RCW 43.79.520

**DEPARTMENT:** Council

**ORIGINATOR:** Heidi Beazizo

**EXECUTIVE RECOMMENDATION:** N/A

**PURPOSE:** Update the language of Exhibit A to remove a component proving to be administratively burdensome.

**BACKGROUND:** Removed language that had the two-year requirement to use or redistribute the funds. Discovered during the first year of appropriation to be administratively burdensome. Any funds not leftover by any school will go back into the main pot for redistribution in a future program year. New language: "Appropriated funds unused by the school district (school district did not submit reimbursement for the totality of appropriated funds) will remain in the PSTAA account and be included in the available balance to be appropriated in a future program year." Changed the word sub-contract under section 4 since schools don't really "sub-contract." There is no change to the intent. New language is: shall be designated for use by community-based early learning providers
