ITEM TITLE:

Emergency Ordinance 21-072, relating to the 2021 Budget; making a supplemental appropriation in Human Services Fund 124 to provide expenditure authority for rental and utility assistance

DEPARTMENT: Human Services

ORIGINATOR: Isaac Isaac

EXECUTIVE RECOMMENDATION: Approved-Lacey Harper 09/20/21

PURPOSE: Council Approval of Emergency Ordinance for a Supplemental Appropriation Human Services Fund 124 American Rescue Plan Act Rental and Utility Assistance Funds

BACKGROUND: On September 3, 2021 Human Services received notification that the County was awarded a grant for Treasury Rent Assistance Program (T-RAP II) funding from Washington State Department of Commerce in the amount of \$33,131,010. This is in addition to the T-RAP I funds we received through the Department of Commerce in the amount of \$33,065,517.

There are over five thousand households waiting for emergency rental assistance and an emergency appropriation is needed to provide rental assistance and prevent household from being evicted.

These grant funds are federal funds through the American Rescue Plan Act of 2021. Pub. L. No.117-2 (March 11, 2021), and are intended to prevent evictions by providing payments for rental and utility assistance to households who have experienced financial hardship due to the COVID-19 outbreak and are at risk of experiencing homelessness or housing instability. There is a set-a-side for disadvantaged populations.

This award was not anticipated when the original 2021 budget was developed; thus, appropriation authority in the amount of \$33,131,010 is needed. It is anticipated that the County will retain \$40,000 for administration costs and the remaining \$33,091,010 will be subcontracted to a local nonprofit(s) to provide eligible activities to the target population.
