DEPARTMENT: Public Works

ORIGINATOR: Lori White

EXECUTIVE RECOMMENDATION: Approve-Ken Klein

PURPOSE: Approval and execution of the Interlocal Agreement Between Snohomish County and the Alderwood Water and Wastewater District for Utility Construction Associated with the 36th/35th Ave West: 164th Street SW - SR 99 Road Project which will allow the County to perform services on behalf of Alderwood Water and Wastewater District.

BACKGROUND: The County has determined that improvement of 36th/35th Ave West; 164th Street SW - SR 99 is necessary to provide an acceptable level of service and safety. The County is the lead agency for the road project. AWWD holds a franchise for occupancy of public road rights-of-way and is required, as a condition of its franchise and state law, to relocate its facilities at its own expense to accommodate public road improvements. AWWD has requested the County incorporate construction and relocation of water lines and associated utility work in the project vicinity into the County's construction contract. All costs associated with the utility work will be paid by AWWD.
