ITEM TITLE:

Ordinance 22-029, approving and authorizing the County Executive to execute an interlocal agreement by and between Snohomish Regional Fire & Rescue and Snohomish County for Evergreen State Fair Park Fire Protection and related services

DEPARTMENT: Conservation & Natural Resources

ORIGINATOR: Jana Notoa

EXECUTIVE RECOMMENDATION: Approved by Lacey Harper

PURPOSE: This Agreement is to cover fire protection and emergency response services for the public health, safety and welfare of the Fairgrounds property and citizens attending year-round activities and the annual Evergreen State Fair

BACKGROUND: As early as 1991, an Interlocal Agreement with Snohomish County Fire Protection District was approved to provide needed emergency fire and first-aid response services to the Evergreen State Fairgrounds for its annual operations. The Fairgrounds property is located within the boundaries of Fire Protection District No. 7. The County Fairgrounds does not pay property taxes, thus this Interlocal Agreement covers Fire Protection District No. 7 costs of providing the services. An Interlocal Agreement is the most economical and efficient means in providing fire and emergency services to County owned property and activities. This Agreement is for one-year ending on December 31, 2022. Cost of the Agreement for 2022 is \$37,468.79 for year-round fire protection and \$38,521.07 for fair services and first aid during the annual Evergreen State Fair totaling \$72,028.82 for 2022.
