## ITEM TITLE:

Ordinance 23-023, approving agreement with Edmonds College to provide advancing health literacy to enhance equitable community responses to Covid-19 grant funding

**DEPARTMENT:** Health Department

**ORIGINATOR:** Sarah de Jong

**EXECUTIVE RECOMMENDATION:** Approved by Lacey Harper 3/17/23

**PURPOSE:** Enter into a Grant Agreement with Edmonds College to provide Advancing Health Literacy to Enhance Equitable Community Responses to COVID-19 grant funding and develop and disseminate health and safety information that is accurate, accessible, and actionable for the residents of Snohomish County.

**BACKGROUND:** In July 2021, the Snohomish Health District was awarded the Advancing Health Literacy to Enhance Equitable Community Response to COVID-19 grant (AHL) from the U.S. Department of Health and Human Services (HHS). The District has been collaborating under a memorandum of understanding (MOU) agreement with Edmonds College since the start of our advancing health literacy grant work. They have promoted changes in the health care delivery system that improves health information, communication, informed decision-making, and access to health services and helped support and expand local efforts to provide adult education, English language instruction, and culturally and linguistically appropriate health
