Executive/Council Action Form (ECAF)

ITEM TITLE:

Motion 24-103, approving and authorizing the Execution of Amendment 3 to the Software as a Service Agreement with Manatron, Inc. - Aumentum Technologies, for Aumentum Tax Assessment and Collection System

DEPARTMENT: Information Technology

ORIGINATOR: Dee White

EXECUTIVE RECOMMENDATION: Approved by Ken Klein 2/27/24

PURPOSE: The purpose of this ECAF is to approve and execute Amendment 3 to the Master Software as a Service Agreement between Snohomish County and Manatron, Inc. for change orders for additional work necessary to implement the system.

BACKGROUND: RFP 21-16 was published to obtain proposals to replace the current tax assessment and collections systems, Proval and Ascend which have been in use by Snohomish County for more than 20 years and are approaching end of life. Manatron, Inc. was selected by the evaluation committee as the contractor whose proposal and software will best meet the needs of the Assessor and Treasurer's Offices through its Aumentum Tax Assessment and Collections System. The Master Agreement was executed 12/2/2020 and it

was amended in 2021 to add a Mobile Assessor test database, and in 2023 to expand the scope of data conversion services. During the implementation process, the parties have determined that additional work is needed and have agreed to the changes as described in change request Nos. WA2019.002.01-CR02, WA2019.002.01-CR03, WA2019.002.01-CR04, WA2019.002.01-CR05, and WA2019.002.01-CR06 for total additional costs of \$131,025.00 plus applicable sales tax. These additional scopes of work were not anticipated when the fit analysis was performed in 2019 and are critical to a successful implementation of Aumentum and meeting the business process requirements for the Treasurer's Office. Approval of this Amendment 3 will authorize the additional scopes of work to be completed.
