ITEM TITLE:

Ordinance 24-020, approving Data Sharing Agreement with Washington State Department of Health **DEPARTMENT:** Health

ORIGINATOR: Rhonda Smids-Osborne

1

EXECUTIVE RECOMMENDATION: Approved by Lacey Harper 3/15/24

Administrative Session

PURPOSE: Snohomish County, acting through its Health Department, needs access to the Washington State Department of Health Collective Medical Technologies (CMT) clinical care collaboration network portal.

BACKGROUND: The Department of Health CMT portal identifies carbapenemase producing organism (CPO) cases and Candida auris (C. auris) cases. By quickly sharing information about CPO and C. auris cases, the County Health Department can limit transmission of these highly resistant organisms and thereby protect public health. Granting County Health Department investigator rights to see these cases will allow for more effective case investigations through the healthcare continuum and across public health jurisdiction lines.
