### Executive/Council Action Form (ECAF)

#### ITEM TITLE:

Motion 24-132, approving a 2023 Budget transfer in the Facilities and Fleet Department between programs within the Facilities Services Fund 511

**DEPARTMENT:** Facilities Management

**ORIGINATOR:** Patrick Chen

**EXECUTIVE RECOMMENDATION:** Ken Klein 3/18/24

**PURPOSE:** Budget Transfer within Facility Services Fund 511 to cover budget shortfall in its Administration, Jail Facilities Maintenance, and Facilities Maintenance programs.

**BACKGROUND:** The Facilities Services Fund 511 is an internal service fund that is used to track the budgetary and financial activities of the Facilities Management Division.

The program expenditures of Administration, Jail Facilities Maintenance, and Facilities Maintenance programs 511 exceeded its program budgets due to higher-than-expected COLA, janitorial, utility, and unanticipated repair expenditures. The remaining programs of Facilities Services Fund 511 has sufficient budget appropriations to transfer to the Administration, Jail Facilities Maintenance, and Facilities Maintenance programs to cover its budget shortfall.

The total 2023 expenditures of Facility Services Fund 511 do not exceed its adopted budget appropriations at

the fund level.

A transfer of budgetary appropriations within Facility Services Fund 511 programs is needed to adjust the budget shortfall in its Administration, Jail Facilities Maintenance, and Facilities Maintenance Programs.

This budget transfer action will move budgetary appropriations between programs within Facilities Services Fund 511 with no net increase to the total 2023 budget.
